TANITA
Healthy Habits for Happiness

**Trusted by Professionals for
Over 80 Years**

Founded in 1944, TANITA is the worldwide leading brand of medical, commercial and consumer body fat monitors/ scales. In 1992, TANITA introduced the World's First body fat scale for personal use. Over the years, TANITA's accuracy, innovation and excellent product quality have set a golden standard for Bio-electrical Impedance Analysis (BIA) monitors and are well trusted by physicians, clinicians and health & fitness experts worldwide.

1210N

Professional Diamond Scale

- 100 carat capacity with 0.01 carat precision
- Measures in 4 units: grams (g), carats (ct), troy ounces (ozt), and grains
